

Simply Revolutionary.

Smart**Compliance**™

The revolutionary SmartCompliance Program redefines business first aid. Three powerful components work together to create the most comprehensive solution available today:

Innovative Cabinet Design

This unique cabinet design eliminates disorganized and missing supplies. Clearly labeled compartments create a cabinet that is easy to use and restock.

SmartTab ezRefill System

This simple but effective system for reordering and restocking revolutionizes replenishment and may save you up to 30% or more on your first aid refills. It is quick, easy, and cost effective. As supplies are used, SmartTab ezRefill reminder tabs notify you when it is time to reorder supplies and puts reorder information at your fingertips

Guaranteed OSHA Compliance

SmartCompliance is the only first aid solution that guarantees OSHA compliance. This is the first product that goes beyond supplies and provides peace of mind. Simply register your cabinet and use the SmartTab ezRefill System to maintain the guarantee. Additionally, should OSHA regulations change for your industry, the product will be made available to ensure compliance.

SmartTab™ ezRefill System

As you use your first aid supplies, SmartTabs will remind you to reorder. Simply use the information on the tab to reorder supplies directly from First Aid Only. Organized snap-in refills make restocking quick and easy.

Guaranteed OSHA Compliance

Simply maintain your cabinet using the SmartTab ezRefill System to remain OSHA compliant. If regulations change in a way warranting a first aid update, you will be automatically notified.

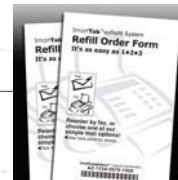

Cabinet Tracking

Registering your cabinet's unique identification number allows you to take advantage of the SmartCompliance Program including the OSHA compliance guarantee and regulation monitoring.

Nation wide Customer Support

Contact one of our friendly Customer Service Representatives toll-free 8:00 a.m. to 5:00 p.m. Monday through Friday PST.
